## PSA Special Edition

The 2010-11 saw PCPC undertake a new venture; namely, participation in two Photographic Society of America Inter-club Competitions. One of these is for Colour Projected Images and the other is for Nature Images and they are restricted to PSA member clubs and PCPC are the only member club from Scotland.

As new entrants to the Colour competition we were included in Group D, and in the Nature competition in Group B. Our aim was to gain promotion in both competitions and this was achieved. Our final positions were 3<sup>rd</sup> in the Colour competition and 2<sup>nd</sup> in the Nature competition.

The Colour competition consists of 4 rounds and the Nature one has 3 rounds. In each round participating clubs enter 6 images.

In each round the top 5 images gain an Award of Merit and a further 15 images gain Honourable Mentions. At the end of the session each competition has a Best of the Best selection from the Award of Merit images. In the Colour competition the top 5 images from each group gain PSA Gold Medals. The top image overall from all the groups wins a Trophy. In the Nature competition the top image overall is rewarded.

After the PSA Annual Conference in September we will receive a DVD of all the Award of Merit and HM images from all 4 groups. This will be shown at the Club.
